**Columbia Dry Batteries**  
work better and last  
longer

- for bells and buzzers
- for thermostats
- for gas engines
- for dry battery lighting in closet, cellar, garret, barn, etc.
- for ignition on the Ford while starting

*The world's most famous dry battery. Used where group of individual cells is needed. Farnestock Spring Clip Binding Posts at no extra charge*

***How many uses you  
have for Columbia!***

For doorbells, buzzers, thermostats, and alarms, use one Columbia "Bell Ringer" or two Columbia "No. 6" Batteries.

For ignition on gas engines and tractors, use Columbia "Hot Shot" Ignition Battery No. 1461. Full power when you need it most, while starting. For quick starting ignition on Fords, use the same size Columbia "Hot Shot" Ignition Battery No. 1461. Saves your back, temper, and time. Fits under the front seat.

Sold by electricians, auto supply shops and garages, hardware and general stores, and implement dealers. Insist upon Columbia.
